Chapter 1

Have you ever heard of a game called roblox well let me tell you how to make a username and if you get it right

When you first get it roblox give yourself a user name like crazy one 11, or a nice name like nice person, you don't have to put number. Then when you find the right username and no one has it put it in.

Then want to know how to make friends in roblox well when you play the game you wanna play and someone sends you a friend request then you can choose to accept it because someone wants to be your friend then it's your day to make some friends and you can choose not to accept it then when you leave the game and you want to friend someone then you search the person you want to friend the person and it is accept then your good to go.

Wanna know how to get fancy clothes well

Chapter 2

Wanna know how to change your avatar well if you look at the bottom of your screen and it says avatar click that and it shows you your Avatar and down below it says different clothes and pick the shirt you want to wear then when you see pants you want to wear click it then your good to go.

Chapter three

If someone is bullying you in roblox then you need a way to tell on them by reporting them and if someone is bullying you while your reporting then move from that bully and continue to report and how to report is . On the top of your screen there is a three line button press it and you'll see all the different avatars then press the one that was bullying you and it says all the what he has been doing to you and if it's bullying then report the avatar then when it says you have sent a report then your good

Want to know how to know how to join your friends games then find one of your friends and if it says join game then press it but if it says game is full then you are going to have to join a different friend and if you join Your friend then your good and

There are alot of games of roblox how are you going to decide well i like games that are horror and crazy but sometimes i like relaxing games like boys and girls dance club,or meep city,or Robloxian life, or you could play roblox and robloxian high school,or do an obby or like a shooting game or like a challenging game well there's a lot of a different games in Roblox and when you find the right game in roblox then good for you.

If you ever go on the app store and you search up ro and you want to find roblox and it says roblox down below then press it and that's what you're looking for thank you for reading my book about roblox.
